Today, I lay the foundation for a great future

I am a go-getter

My actions lead me daily to purpose

I make a difference each day by doing what I love

I am inspired and motivated to achieve daily

I am productive today

I manifest financial abundance everyday

I move in the direction of my goals

I am not mediocre

I am free of worry, fear and doubts

I make progress in all I do

I am surrounded by winners

I add value to everything and everyone around me

I am unique

I make things happen

I am in perfect health

I am overflowing with joy and satisfaction

I focus always on the positive

I am optimistic about this day

Today, the perfect people are showing up for me at the perfect time

Repeat these affirmations to yourself as often as you can, write them down and paste them where you can see them. The emphasis on them sends signals to your brain that this is what you want for your reality.
